## WINDSOR-TECUMSEH

## ABOUT ANDREW

A determined problem-solver, Andrew's skills and experience working in government will deliver tangible results for Windsor and for Tecumseh.

As an engineer, Andrew's career is focused on finding the best outcome able to be delivered within a series of constraints. He'll be relentless in seeking out the people and the resourcing needed to help achieve Windsor-Tecumseh's community goals, including completing the Windsor-Essex Regional Acute Care Hospital.

Andrew is experienced in serving the community, having been first elected to Tecumseh Town Council in 2014 and acclaimed in Ward 1 in 2018. Andrew regularly volunteers his time at events and serving with local associations and youth programs.
