ABOUT BOBBI ANN

Bobbi Ann is known as the girl who 'gets things done.' as Executive Assistant to MPP Toby Barrett, Bobbi Ann has been fighting on behalf of people in Haldimand-Norfolk for 23 years.

Before serving the public, Bobbi Ann was a writer and editor of an area small-town newspaper. Both callings have given Bobbi Ann an appreciation for the struggles and challenges people face daily. Bobbi Ann understands everyone has a story deserving to be heard. She is masterful at taking issues forward to Queen's Park to ensure locals have a voice and knows government works for people, not the other way around. At Queen's Park, Bobbi Ann has a reputation of being assertive yet professional but makes no mistake the people she works for are in Haldimand-Norfolk — they come first.

Over the years, Bobbi Ann has traveled the province, lending her expertise to political campaigns. Locally, she was Barrett's Campaign Manager five times and has been instrumental in local federal campaigns. The Ontario PC Party has recognized Bobbi Ann twice as Outstanding Campaign Manager and Outstanding Riding Association President.
