## ABOUT DAWN

Dawn Gallagher Murphy is a proud mother, wife and entrepreneur with 25 years in the secure payments industry, including 15 years managing her own consulting business. She worked as a highly-specialized card program solution development professional serving the Canadian and International banking industry, and served with MPP Newmarket-Aurora, Christine Elliott since 2018.

Dawn is a strong, effective and results oriented community leader who has championed supports for businesses, the local hospital, and mental health and addictions supports. In 2019, she assembled a team for the Nature's Emporium Run for Southlake. She has personally championed and coached people with disabilities within the community, and created a Community Spirit and Solidarity School Council Award within the local school system.
