ABOUT MICHAEL

Michael has proudly lived in the riding of York Centre for over 25 years with his family! He is married to Rochelle and is the father of three University aged children. Michael is an entrepreneur currently in the technology and bioscience fields. Outside of his career, he has been recognized for his volunteer work and identified as a well-respected consensus team builder having served actively and locally in many different organizations. He very much enjoys getting to know the diversity of York Centre and participating in interfaith programs that tie the fabric of the community together. Michael likes to lead by example, never afraid to take on a worthwhile project, and never afraid to shy away from getting involved to support a great cause. He has a 'can do' attitude and is an empathetic, honest and selfless individual true to the principles that guide him everyday, "Service Over Self".
